WHAT IS

WATER?

How we picture water shapes how we use it.

Aral3D explores different ways of seeing the basin — as map, as terrain, as climate, as everyday life.

T H E P L A T F O R M

TWO MODES.

0 1 — G A M E

PLAY THE BASIN

Short missions, playable worlds. For students, schools and museums.

0 2 — E X P L O R E

READ THE BASIN

Real elevation, historical basins, climate, demographics. Shareable views.
